Campaign Spending: [List of Filers](#)

My name is Rito Saniatan, candidate for State House Representative-Waialeale, Village Park, Royal Kunia, Waipahu. I graduated from the University of Hawaii-Manoa with a Bachelors of Business Administration. I am currently employed by First Choice Insurance as its President. Previously, I worked for International Savings and Loan-Vice President; International Mortgage-President; and Allstate Insurance-Agency Owner. I worked and lived in our community the last twenty years.

I am a firm believer in giving back to the community. Current member1Treasurer- Waipahu Neighborhood Board; Member-Chamber of Commerce; President -Oahu Filipino Junior Chamber; AYSO Coach-West Oahu; Basketball coach-St Elizabeth; Treasurer-Royal Kunia Community Association.

There are many issues and concerns that affect our community and district today.

EDUCATION: We need an educational system where money meant for classroom gets to the classroom. Have school administrators responsible and accountable for their school budget. For every dollar, 90 cents should be designated for classroom operations.

JOBS and HOUSING: A vibrant economy that provides for the needs of employees while encouraging investment and hiring. Support pro-business and pro job policies. Support more development of affordable housing so that our people are able to achieve their goal of owning a home.

TRAFFIC: A highway system that is well planned, well maintained and able to meet the growing needs our community.

Please give me the opportunity to work for you and bring your concerns to the State House. I humbly ask for you vote of confidence. TOGETHER, WE can build a better island community. TOGETHER, WE can do it!
